

East Hanover's Mini-THON is on Friday, March 29th.
It will be held during the school day this year,
so everyone can participate!

What is Mini-THON?

Modeled after THON at Penn State University, Mini-THON is a fun-filled event to raise money for the fight against childhood cancer. All money raised goes directly to Four Diamonds, which funds research to help find a cure and supports families of children who are being treated at Penn State Hershey Children's Hospital. Another goal of Mini-THON is to expose the students to leadership and philanthropy. It's a great opportunity to teach our kids the importance of giving back!
